

2025 Window Display Competition

In 2025, Cowra welcomes India as the guest nation for the Festival of International Understanding. India's history, people, and cultural diversity, all things that make India unique, will be celebrated.

Schools, pre-schools, businesses, and community groups are encouraged to create a window display that captures the theme of this year's festival. You can focus on one specific culture or historical feature of India or create a display that captures the essence of your group.

Displays should be installed by Friday, March 14, with winners announced at the Carnival on Saturday, March 22nd. If you need assistance securing a shop window, don't hesitate to contact the festival organiser. If you are a business who would like a display please feel free to contact the festival organiser.

Please complete the form below and return it by Friday, March 14.
