

## Section 138 Applications

### Information relating to Driveway Crossings and work within Council road reserves.

Where works are proposed within the road reserve, formal approval must be obtained from Council as the Roads Authority as required under Section 138 of the Roads Act 1993. The road reserve includes the footpath – any area outside the property boundary.

Works within the road reserve may include activities like erecting a structure, constructing a driveway, installing stormwater drains, removing or interfering with a structure, or any other activities as defined within the Roads Act 1993.

For further information or application forms, please contact Infrastructure & Operations on (02) 6340 2085 or email for queries or application submission at [council@cowra.nsw.gov.au](mailto:council@cowra.nsw.gov.au).
