

Resealing Canowindra Road

Transport for NSW will be resealing segments of Canowindra Road from Tuesday 7th May.

Locations are between Wynnefield and McKennys Lane and 3 segments near Billimari Road.

Residents should expect short delays while the area is under traffic control. Council apologises for any inconvenience caused.

MORONGLA RD/ REIDS FLAT RD UPGRADE

As part of the conditions of development consent for Glenella quarry, Council has commenced the upgrade of Morongla Road and Reids Flat Road intersection. Traffic headed south on Reids Flat Road will soon have to give way to north bound traffic turning the corner westbound into Morongla Road. There will be traffic control in place during works with minor delays expected. Work is expected to take approximately a month.

Council apologises for any inconvenience this may cause. For further information please contact Council on 02 6340 2000.

HAVE YOUR SAY ON THE DRAFT COMMUNITY PARTICIPATION PLAN

Community members are invited to Have Your Say on the Draft Community Participation Plan.

The Community Participation Plan identifies how and when Council will engage with the community on the planning functions of Council under the provisions of the Environmental Planning & Assessment Act 1979.

The draft may be viewed at Cowra Council, 116 Kendal Street Cowra between 9.30am to 4.30pm Monday to Friday or view online on Cowra Council's website under **Public Exhibition: Council documents and policies.**

All submissions must be made in writing (email or letter) by Monday 3 June 2024.

SIX NEW COURTS FOR NETBALLERS AT COL STINSON PARK

Six new netball courts at Col Stinson Park have been completed as of last week in readiness for the Cowra Netball Associations first regular season matches which commenced last weekend.

The grassed court area was converted to asphalt courts and were completed using council staff and resources, local contractors and regional contractors.

The existing three asphalt courts had the court lines re-marked and all courts have now been numbered for easier identification, especially for carnival days.

Work will continue this week on backfilling and turfing behind the new block retaining wall. Congratulations to all on a spectacular job - it was great seeing the courts being used over the weekend!

Jukes Lane – Changes to Traffic Conditions (UPDATED)

Work will commence on Tuesday 30 April 2024 to install culverts across Jukes Lane. During works there will be a single lane sidetrack and Give Way signage in place for road users. The estimated completion date for this project is now Friday 10 May 2024 (weather permitting). Council apologises for any inconvenience this may cause. Contact Infrastructure & Operations on (02) 6340 2070 for further information.
