## COUNCIL SEEKING EXPRESSIONS OF INTEREST:

EOI's from developers for projects aimed to increase housing supply within the Cowra Local Government area. The proposed development must result in a minimum increase of 25 residential lots to supplement existing housing supply within Cowra.

Examples of eligible construction projects could include, but are not limited to, construction or installation of:

- new, or upgrade of existing, roads or railways to support development of and/or access to new, well-located housing development(s), not including roads or railways which are listed on the National Land Transport Network (NLTN);
- new, or upgrade or augmentation of existing utilities to support new housing development(s);
- amenities to support new housing development(s) such as parks, sporting facilities, community halls and/or libraries, common outdoor spaces, etc.; or
- fixed infrastructure for integrated public transport (e.g.: bus priority lanes and signalling; bus, train or light rail stops; transit interchanges) and/or active transport (e.g. footpaths; pedestrian crossings; cycle paths and lanes, etc.) to support new housing development(s).

Expressions of Interest must be submitted to Council by close of business on Friday 26 July 2024.

Further information is available from Council's Director – Environmental Services, Larissa Hackett on telephone **6340 2051**.
